

# Business Card ( U.S. Dimensions)

Size: H50.8×W88.9mm

This is a sample design for a business card (English version). Please follow the instructions of the design sample and the print designation document shown on the right.

## Points about the content of the description

- When you write the name of the department or the title, please write it within 4 lines in principal. The position of the 4th line is the starting point of the layout, and the title (Managers and leaders) is at the top. In addition, please capitalize the first letter of your name.
- When indicating the engineer-grade, indicate it in the line above the position.

Department, Position, Engineer-grade: Noto Sans Regular 6.8pt / Leading 8pt

Name: Noto Sans Regular 13pt

Office: Noto Sans Regular 6pt

Address: Noto Sans Regular 6.8pt / Leading 8pt

\*If your department or position can fit on fewer than four lines, please use the example on the right to align the letters. (Make sure you don't exceed over 4 lines.)

\*Address block cannot exceed 5 lines.
