Designated
Typeface

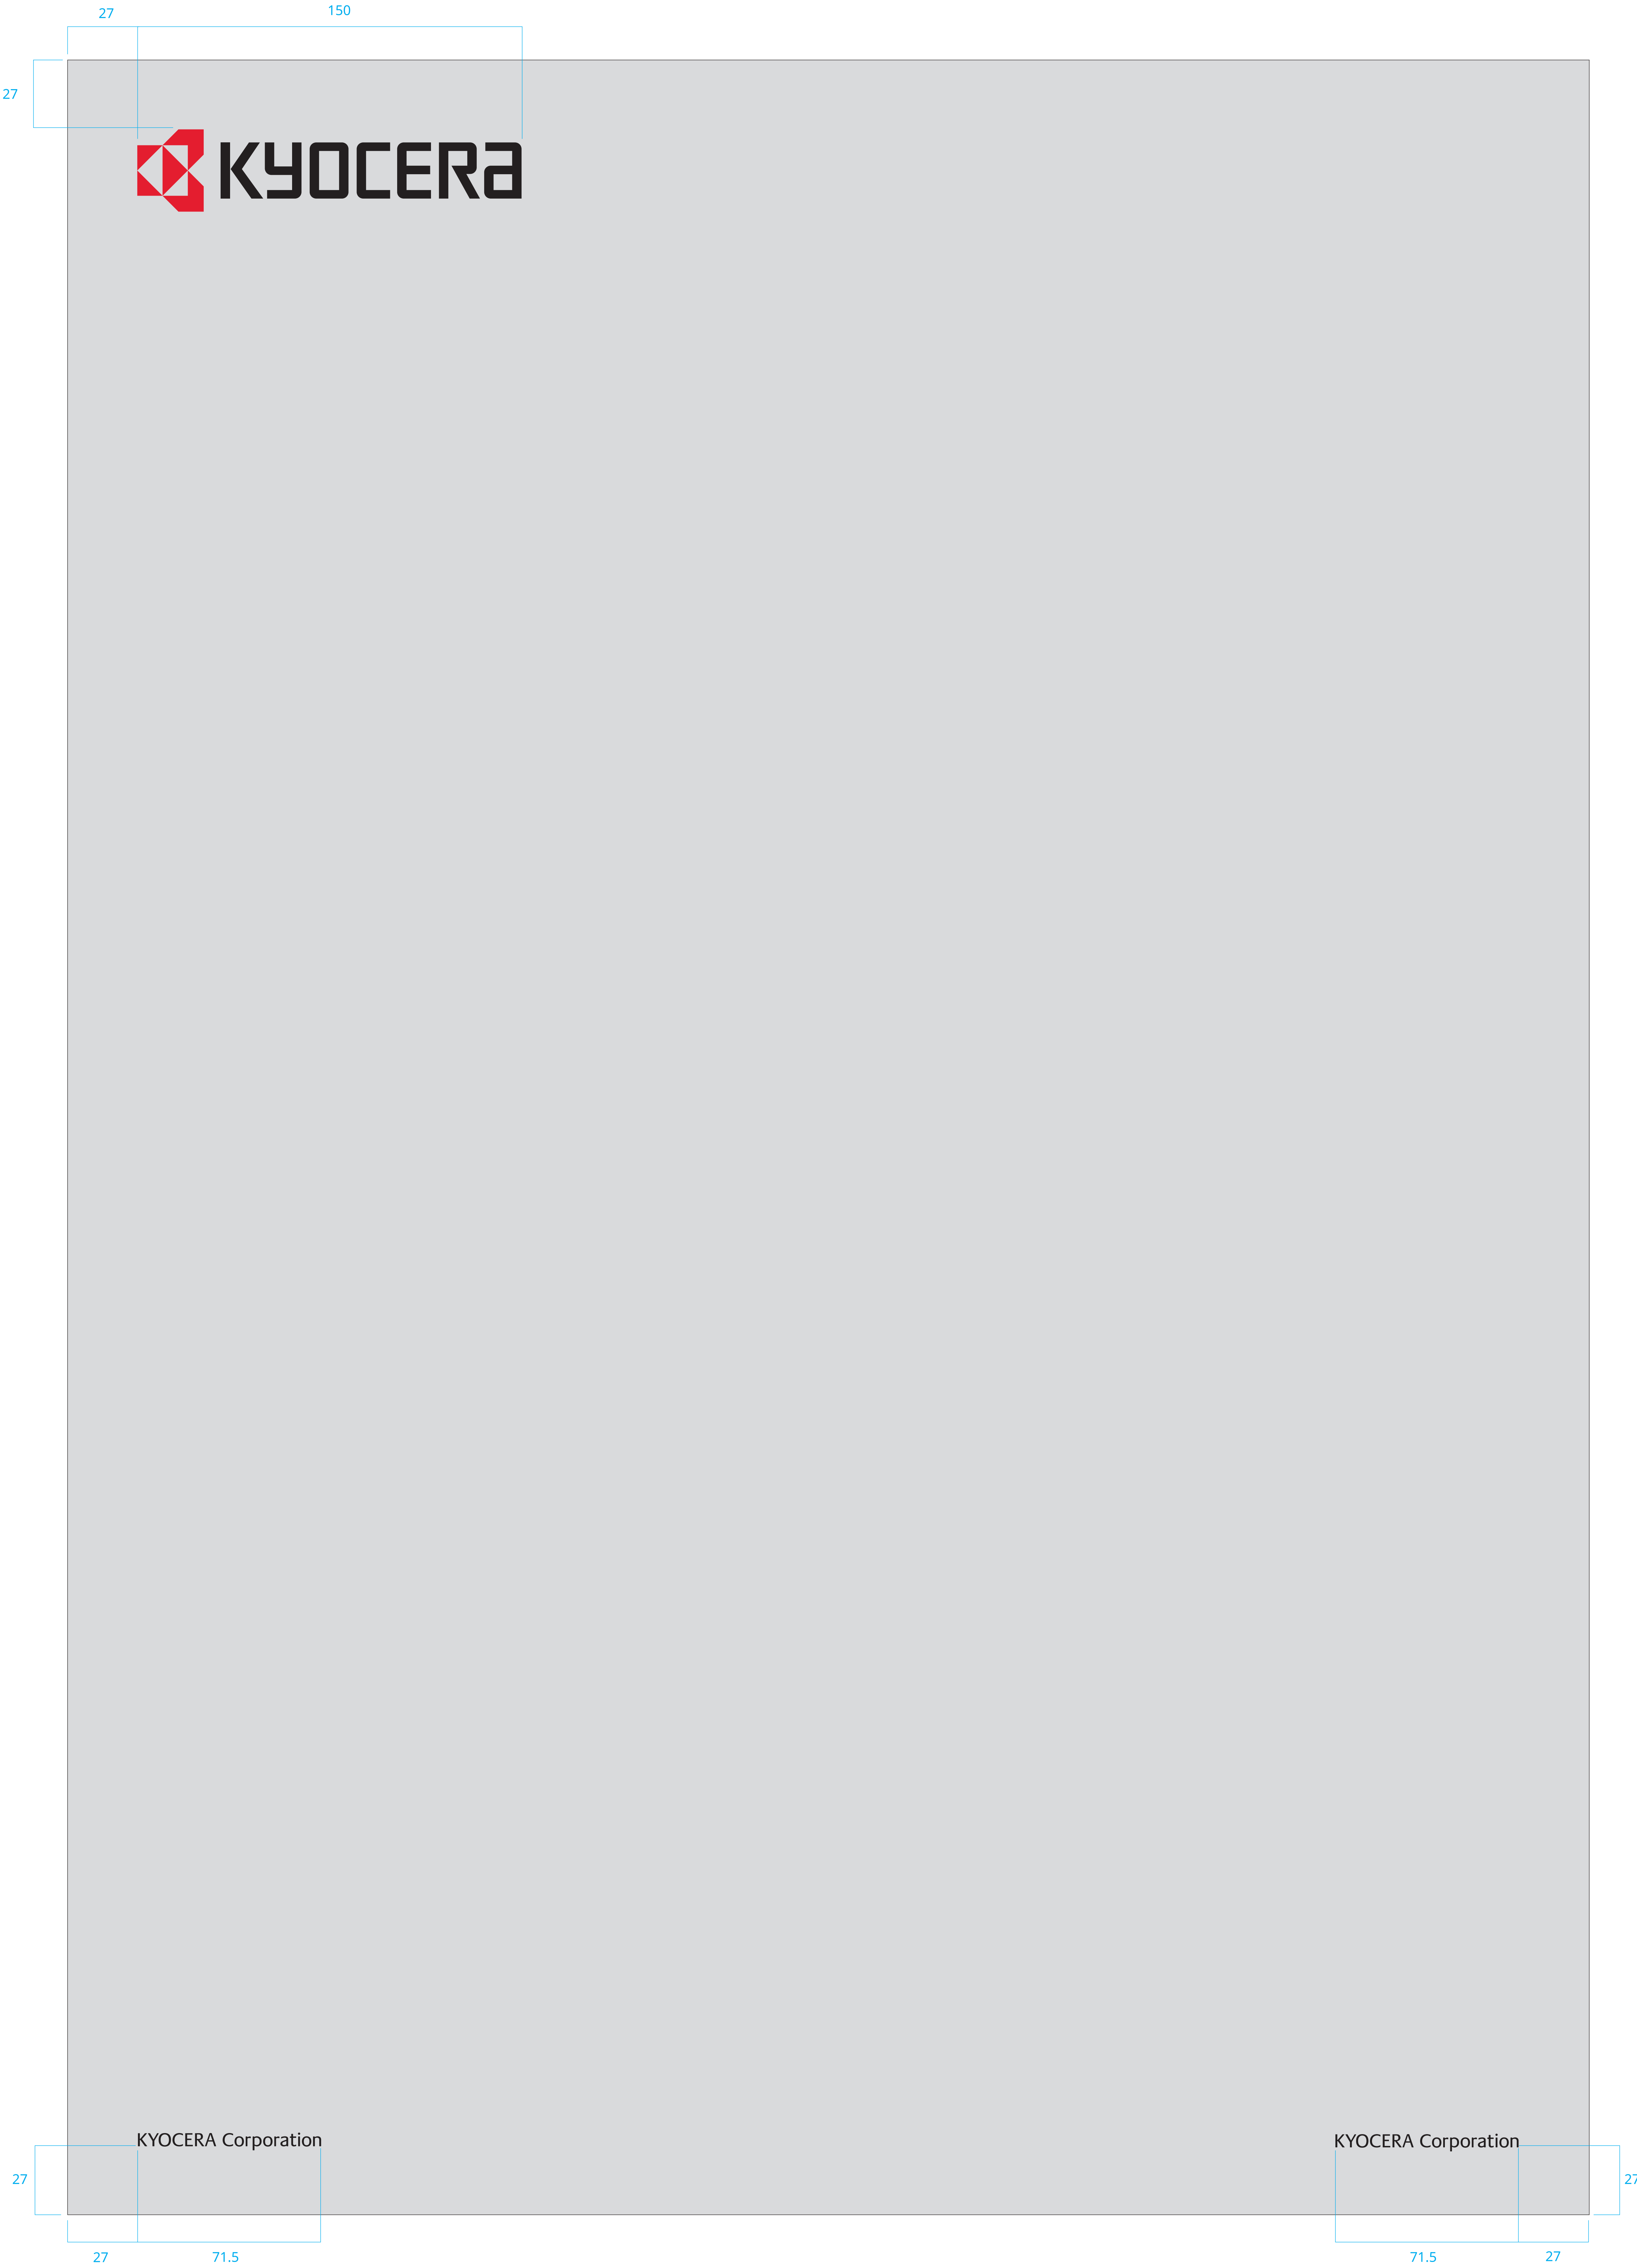

English : Noto Sans

This is the designated typeface for communication items created internally or externally.
Use this typeface for basic corporate information, such as office names and address, whenever possible.

The background of the brand symbol should be displayed according to either the guidelines or the specifications of the display coverage chart to ensure that the brand symbol is clearly recognized.

KYOCERA Corporation

KYOCERA Corporation

Location of the corporate logo when the brand symbol and the corporate logo are displayed together

Priority ①

Display items in the lower left hand corner as much as possible for consistency.

*When displaying the logo of the group company name, place the company logotype with a height of 10mm.

Location of the corporate logo when the brand symbol and the corporate logo are displayed together

Priority ②

If you cannot display the official company logo on the lower left hand corner (priority display position) due to certain presentation related restrictions arising as a result of the images or illustrations used, place it on the right instead.
